New User Registration

Verify your identity:

- 1 Enter the last 4 digits of your Social Security number
- 2 Enter your first name, last name, and date of birth
- 3 Click the Next button

New User Registration

Your username can be your Social Security number, but to better protect your account, we strongly recommend that you create a unique username.

4 Username Standards

- Use 6 to 15 letters and/or numbers
- If your username is between 9 and 11 characters in length, it must contain at least two letters
- Do not use one entire piece of personally identifiable information such as your Social Security number, telephone number, or date of birth. Instead, alter or disguise it (e.g., Jane212Smith)
- Do not use 5 or more instances of a single number or letter, or easily recognized sequences (e.g., 12345 or 11111)
- Do not use symbols, punctuation marks, or spaces (e.g., #, @, /, *, -)

Password

Your password protects your account from unauthorized users.

5 Password Standards

- Use 6 to 12 letters and/or numbers
- Do not use one entire piece of personally identifiable information such as your Social Security number, telephone number, or date of birth. Instead, alter or disguise it (e.g., Jane212Smith)
- Do not use 5 or more instances of a single number or letter, or easily recognized sequences (e.g., 12345 or 11111)
- Do not use symbols, punctuation marks, or spaces (e.g., #, @, /, *, -)

The screenshot shows the 'Fidelity NetBenefits' logo at the top. Below it is the 'Register Now' heading. A 'Welcome!' message follows, stating that users can register here for online and phone access. A note mentions that existing users of Fidelity.com, NetBenefits, or eWorkplace do not need to register again. The 'Verify Your Identity' section states 'All fields are required.' and contains four input fields: 'Last 4 Digits of Your SSN' (with '1290' entered), 'First Name' (with 'Maria' entered), 'Last Name' (with 'Lopez' entered), and 'Date of Birth' (with 'January' selected from a dropdown, '29' entered, and '1954' entered). A 'Next' button is at the bottom right. Red circled numbers 1, 2, and 3 are overlaid on the SSN field, the Name/DOB fields, and the Next button respectively. A 'Cancel' link is at the bottom left.

The screenshot shows the 'Fidelity.com' logo. Below it is the 'Register Now' heading. Navigation links for 'Verify Your Identity', 'Register' (active), and 'Confirmation' are shown. The 'Create a New Username' section explains that the username can be the Social Security number but recommends a unique one. It offers two options: 'Use my Social Security number' (selected) and 'Create Username'. The 'Create Username' option shows 'Enter New Username' with '665X3MY22' entered and a 'Check Availability' button. A red circled number 4 is overlaid on the 'Create Username' option. On the right, 'Username Standards' are listed: 6-15 letters/numbers; 9-11 characters must have 2 letters; no full PII (SSN, phone, DOB); no 5+ instances of a single letter/number or easy sequences; no symbols/punctuation/spaces. Examples include 'ASlater90201', '21555laterA', and '212slater90210'.

The screenshot shows the 'Create Your New Password' heading. It states 'All fields are required.' and has two input fields: 'Password' and 'Re-type New Password', both containing masked characters. A red circled number 5 is overlaid on the 'Re-type New Password' field. On the right, 'Password Standards' are listed: 6-12 letters/numbers; no full PII; no 5+ instances of a single letter/number or easy sequences; no symbols/punctuation/spaces. Examples include 'ASlater90201', '21555laterA', and '212slater90210'.
